

# The Great Space Race

Mission: Each space station (school) will work in order to increase the number of cadets (students), commanders (alumni), and astronauts (professional members). Each sector (district), with their District Representative must work together to take over a new planet (add a new school to their district).

District Reps: Each district rep. will communicate with each chapter and get people excited. They need to be there to help schools increase membership and find a new school.

Goals: 1 new school per district and 10 new members per school.

All membership is due by Nov. 15

Prizes: DECA Inc. gift card for school with highest member increase and nebula trophy for district that brings in a new school.
